

Wizard's Vinyl Music Collection

Note: This a collection of which I inherited from my father along with some Goodwill/Thrift Store Finds, and albums I went out of my way to obtain because I like them.

I don't have a Vinyl player at the moment so these are just on display. I wish I never sold off my cassette collection because that one was very sentimental to me. More so than these:

- Into Battle With The Art of Noise
- Moonchild – View of life/Streams
